If the Association chooses to recover such costs, a charge shall be made in accordance with the methodology described in paragraph (3) of this subsection.

(2) An overhead charge shall not be made for requests for copies of 50 or fewer pages of standard paper records unless the request also qualifies for a labor charge.

(d) Remote document retrieval charge.

To the extent that the retrieval of documents results in a charge to comply with a request, it is permissible to recover costs of such services for requests that qualify for labor charges.

(e) Miscellaneous supplies.

The actual cost of miscellaneous supplies, such as labels, boxes, and other supplies used to produce the requested information, may be added to the total charge for information.

(f) Postal and shipping charges.

The Association may add any related postal or shipping expenses which are necessary to transmit the reproduced information to the requesting party.
